~ ~ What were the given names of the parents of the Mayfields? The William Mayfield family in particular seemed to name their children after their relatives. My suspicion is that **Brady** and **Nancy** were their parents. But, one wonders. Minerva named two of her children after her husband's parents and she named another child Nancy–but no Brady. Who were her sons Eli and Charles Meeker named after? And, who was her daughter Catherine named after? And, more questions can be raised.
