<http://trees.ancestry.com/tree/39234061/person/19342083537>]

The lineage of **Rev. Edward Bulkeley** and son **Rev. Peter Bulkeley** are traced back to **King Henry II** of England (1133-1189 AD), through an illegitimate child of that king.

From that king, the lines are then also traced back much further, for example to Charlemagne and other historical figures. That lineage appears in the 2004 book, *Ancestral Roots of Certain American Colonists who Came to America Before 1700*, Eighth edition.

For the lines back from Edward and son Peter to Henry II, see page 38 [Line 30] and page 39 [Line 31]. Here is a Google Books preview of that book which shows those pages:

<http://trees.ancestry.com/tree/39234061/person/19342083595>
 History: http://en.wikipedia.org/wiki/Robert_de_Holland,_1st_Baron_Holand]

—Maud LA ZOUCHE above appears in a royal line in the book *Ancestral Roots of Certain American Colonists who Came to America Before 1700*, (Sixth edition), Line 32, p. 37. The newer Eighth edition needs to be checked, but likely still supports this linkage. Rev. Peter Bulkeley's line to royalty [see 13G Grandparents] was through Elena LA ZOUCHE, apparently a sister of Maud. Those two lines merge going back with the father of the two women: Alan LA ZOUCHE (1267-1313).

 History -- http://en.wikipedia.org/wiki/Richard,_1st_Earl_of_Cornwall
 History – http://en.wikipedia.org/wiki/Sanchia_of_Provence]

Supposedly the GOUSHILL line can be traced back before the 1066 Norman Conquest of England. Here's a quick list of the supposed line back from Robert Fitznells GOUSHILL above.

?Erneis **GOUSHILL** (1110-1155) and Alinore **DE AMCLIFFE** (1120-1135)

?Piers **GOUSHILL** (1083-1150) and ----- **BRIENNE** (1084-1150)

?Giles **GOUSHILL** (1060-1083) and Jasmine **DE CANAAN** (1065-1125)

?Ernerus **GOUSHILL** (1033-1060) and Felice **DE YTORLIK** (1043-1060) (Goxhill, Yorkshire, England)
